

Becket Top 12 Internet Safety Tips

Year 1:

1. If we see something that we don't like or upsets us, turn our devices off and tell an adult straight away.
2. Only play games that are the correct age for us.

Year 2:

3. Always check with an adult before going online.
4. Don't talk to or add strangers to your friends online.

Year 3:

5. Never share credit card details online.
6. Only play games with people you know online.

Year 4:

7. Ask yourself the question "Is this site a safe place for me to be?"
8. Do not tell anyone online your address.

Year 5:

9. Only friend people online who you know in real-life.
10. Limit your screen time using technology.

Year 6:

11. Do not give away any personal details online.
12. Turn off chats or block another player if they make you feel uncomfortable. Leave the game if they say anything inappropriate.
